sentenced to death

The Victorian Supreme Court has sentenced to death two teenage youths found guilty of the murder of a 15-year-old schoolgirl.

If the sentences are carried out it will be the first hanging in Australia for four years.

The youths, Christopher Lowery, 19, and Charles King, 18, both of Hamilton Victoria, pleaded guilty to the wilful murder of the schoolgirl who was found near an isolated bush track strangled and trussed with a piece of electrical cord.

death of scientist

The death of Alexai Isayev, the rocket designer who first began the Russian space

programme was announced by the Soviet Newsagency Tass last week.

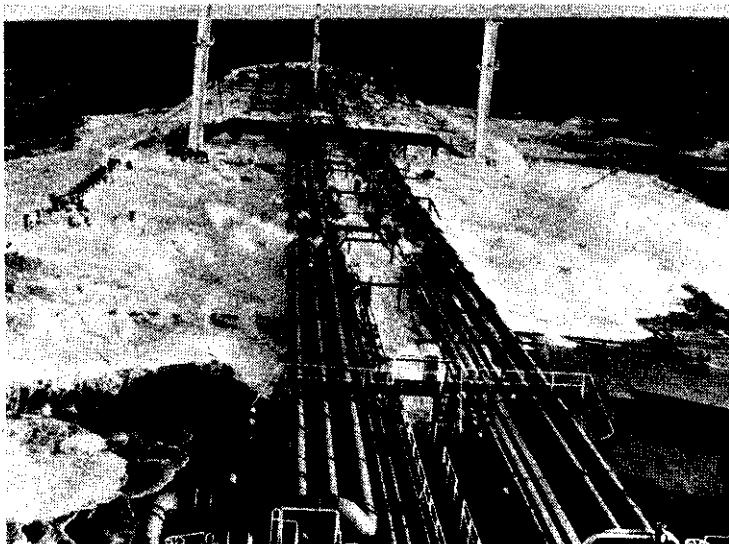

Engines made under his leadership were mounted in the manned spaceships, Vostok, Voshod, Soyus and other space stations.

britain joins common market

The future of Europe's economy will be greatly changed following the admission of Britain to the European Common Market, the world's largest trading power.

The six nation community will gain even more strength from the addition of Britain, which being a highly industrial country has many world-wide trading links.

The population of Britain and the six other European countries France, Luxembourg, Belgium, Italy, Germany and Holland, is about 250 million (more than the United States and the USSR)

Waves pour over the main deck of the giant tanker, the "British Explorer" as it continues its 11,300 mile journey from the Middle East to the United Kingdom. The tanker which weighs 215,000 tons consumes about 130 tons of fuel a day.
