### Smooth, Easy Controls

- Two hydraulic joystick controls require only minimum wrist/hand movement, greatly reducing operator fatigue.
- Auxiliary hydraulics are actuated by a thumb-operated rocker switch on the joystick.
- Hand-throttle allows you to run at a constant speed, or an accelerator pedal can be used during load and carry, excavating or backdragging.

### Operator Comfort

- Optional suspension seat adds operator comfort.
- Clear view of the work tool reduces operator fatigue and increases productivity.

### Power and Versatility

- The Cat 3034 Engine is proven and reliable.
