SECURITY INFORMATION HOTLINE

BSP Launches a new "Security 24 hour Information Hotline" - 3009634

BSP is now offering a "cash incentive" for any information that may lead to the prevention and/or subsequent arrest of any criminals who are planning or have participated in a bank robbery, fraud or kidnapping against BSP Head Office, Branches, Executives or Staff Members.

With the recent serious deterioration of security around PNG, BSP is seeking "community support" to ensure that essential banking services which are critical to the economic development of towns and cities around PNG remain "open".

BSP's stated policy is that in outlying towns, if BSP Branches or staff are subjected to armed violence, including robberies or kidnapping etc BSP will "close" these branches "permanently" which will have a very negative effect on businesses & the local community.

BSP believes that the community want "law & order" in their towns and often have information that can prevent criminal activities from occurring.

A "high level" of Community support of your local BSP branch is critical to BSP keeping these Branches open in many towns cities around PNG.

Absolute security & confidentiality will be maintained regarding all information submitted.

BSP's 24 hour "Security Information Hotline" is **3009634** or via email: infor@bsp.com.pg

Cash Rewards will be paid based on the quality, usefulness and timeliness of information provided. Payment amounts will be completely at the discretion of BSP however will be significant when & where appropriate.

BSP has initiated this Crime Prevention Hotline as a result of a 'Special' briefing given to all PNG based banks from the Police which highlighted that the escapees & their criminal associates are already planning bank robberies, and perhaps kidnappings of senior executives or staff.

BSP has historically been a prime target, and is responding to the current "extreme security alert". BSP stresses that this alert is applicable to all Banks & Financial Institutions, however "all" businesses in PNG should increase their general security measures.

BSP has already initiated the following additional security initiatives:

- Increased Armed Security & Access Controls on all BSP Branches & offices.
- Increased security checks for all persons & vehicles entering BSP Branches & offices.
- Restricted Parking & public loitering around BSP branches.
- All safe combinations are being changed on an "irregular" basis.
- Management & Staff responsible for safe access are being changed on an "irregular" basis.
- Time locks on all branches are being randomly changed.
- BSP Head Office, and branches will maintain only minimal cash balances on our premises until further notice. BSP suggests "all retail customers" to increase the use of Kundu Card withdrawals from ATM's & EFTPOS "cash back" withdrawals from super markets & retail stores. For corporate clients please give 24 hours notice of large cash withdrawals or cash deposits.

BSP apologises in advance to "all our valued BSP customers" for any inconveniences or reductions in banking services that may be experienced in the coming weeks.

BSP asks for your understanding & support.

BSP Executive Management.
