Poems**Memories of a Dead Kinsfolk**

By: Niko Numana

The mistakable echoes of a firing musket
Thunders
Almost splitting my eardrums
Another brother is down
Never to trot again on
The soil of
Our forefathers

Dying like a fly
Lying like a dog
Rotting like a log
Ever flowing like a stream
Overflowing like a passing tide
Are my tears
Gushing like a mountain stream
Is the blood of my dead Kinsfolk

Oh how I mourn
For you
My dear one
Your blood
Your death
Has awakened me
The slumbering echoes
Once more of
A dormant fire
The longing for
An Autonomous island
